

The Millennium University College is an institution of higher learning dedicated to providing innovative undergraduate, postgraduate, and professional education. By bringing a range of international qualifications home, TMUC aspires to be recognized as the leading institution of borderless education, committed to providing opportunities that exceed local stream of education to the youth of Pakistan. Being a leading institute in higher educations we have access to the HEC digital library programe.

HEC National Digital Library (DL) is a programme to provide researchers within public and private universities in Pakistan and non-profit research and development organizations with access to international scholarly literature based on electronic (online) delivery, providing access to high quality, peer-reviewed journals, databases, articles and e-Books across a wide range of disciplines. The e-books support programme will allow researchers to access most of the important text and reference books electronically in a variety of subject areas. Around 75,000 number of electronic content has been made available through the Digital Library Programme. Following are the main database which are accessible through TMUC IP:
